**HUMAN SERVICES DEPARTMENT[441]**

**Notice of Intended Action**

**Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)"b."**

**Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.**

Pursuant to the authority of Iowa Code section 234.6, the Department of Human Services proposes to amend Chapter 204, "Subsidized Guardianship Program," Iowa Administrative Code.

The proposed amendments would rescind provisions for the five-year federal demonstration waiver project for guardianship subsidy and replace them with a permanent program.

The legislation authorizing the Department to operate the guardianship subsidy program specified that the Department could do so through an approved waiver to Title IV-E of the Social Security Act or through potential amendments to the Social Security Act that would allow federal funding under Title IV-E to be used for guardianship subsidies. With the passage of Public Law 110-351, the Fostering Connections to Success and Increasing Adoptions Act of 2008, federal funding is now available for an ongoing guardianship subsidy program.

These amendments remove the federal waiver requirement to have an experimental and control group of children. Under the waiver, only children in the experimental group are eligible for the guardianship subsidy benefit. These amendments will allow all qualifying children to receive this benefit. Guardianship subsidies awarded under the demonstration waiver will continue.

The amendments also:

- Add documentation requirements for the decision to pursue guardianship instead of adoption;
- Remove minimum age limits for the child and the current provision for extending the subsidy past the child's eighteenth birthday (a state may raise the maximum age of eligibility under the federal program beginning with federal fiscal year 2011);
- Remove the requirement that the child has been in foster care for at least 6 of the past 12 months;
- Require that the guardian be licensed as a foster parent and meet all of the requirements of 441—Chapter 113, including criminal and child abuse record checks and training.

These amendments do not provide for waivers in specified situations. Requests for the waiver of any rule may be submitted under the Department's general rule on exceptions at 441—1.8(17A,217).

Any interested person may make written comments on the proposed amendments on or before October 13, 2009. Comments should be directed to Mary Ellen Imlau, Bureau of Policy Analysis and Appeals, Department of Human Services, Hoover State Office Building, 1305 East Walnut Street, Des Moines, Iowa 50319-0114. Comments may be sent by fax to (515)281-4980 or by E-mail to [policyanalysis@dhs.state.ia.us](mailto:policyanalysis@dhs.state.ia.us).

These amendments are intended to implement Iowa Code section 234.6 and 2006 Iowa Acts, chapter 1184, section 17, subsection 10.
